LONG PRESTON'S ARCHAEOLOGICAL BIG DIG PROJECT

This project is coming to a close and exhibitions are being arranged on Saturday 25 and Sunday 26 March, from 10am to 4pm both days, in Long Preston Village Hall.

This will be the first time all the finds will be on show. There will be displays on the project itself as well as explanations of the results. It is hoped that walks around the village can be held as part of the event.

Come and see how Long Preston developed over thousands of years from the Mesolithic (Middle) Stone Age to the present day.

The exhibition will be repeated on Saturday 15 and Sunday 16 July as part of the Council of British Archaeology's 2017 Festival of Archaeology.
